Source Certification – Sustainable Products

BRI #885-SUS Palmitic Acid

This statement is to certify that the above product is part of Bedoukian Research, Inc's Sustainable Products Portfolio.

Our Palmitic Acid is a natural material and contains ~100% renewable carbon.

The source of the natural raw material within this supply chain is palm oil from an RSPO certified source (Mass Balance).

As part of our commitment to our Sustainable Products Portfolio, our suppliers will notify us in writing and in advance, if they change sources of natural raw materials. We have RSPO and natural certificates on file.

We are excited to expand our portfolio to provide these products.

If additional information is needed, please let us know.

Respectfully Submitted,

Marie Maher  
Director of Quality & Regulatory Compliance
